(h) "Project" means a film:

(1) that includes the promotion of Minnesota;

(2) for which the taxpayer has expended at least \$1,000,000 in **the taxable year any consecutive 12-month period beginning after expenditures are first paid in**

Minnesota for eligible production costs; and

(i) "Promotion of Minnesota" or "promotion" means visible display of a static or animated logo, approved by the commissioner and lasting approximately five seconds, that promotes Minnesota within its presentation in the end credits before the below-the-line crew crawl for the life of the project.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2022.

Sec. 9. Minnesota Statutes 2022, section 116U.27, subdivision 4, is amended to read:

Subd. 4. Applications; allocations. (a) To qualify for a credit under this section, a taxpayer must submit to the commissioner an application for a credit in the form prescribed by the commissioner, in consultation with the commissioner of revenue.

(b) Upon approving an application for a credit that meets the requirements of this section, the commissioner shall issue allocation certificates that:

(1) verify eligibility for the credit;

(2) state the amount of credit anticipated for the eligible project, with the credit amount up to 25 percent of eligible project costs; and

(3) state the taxable year in which the credit is allocated.

The commissioner must consult with the Minnesota Film and TV Board prior to issuing an allocation certificate.

(c) The commissioner must not issue allocation certificates for more than ~~\$4,950,000~~ **\$24,950,000** of credits each year. If the entire amount is not allocated in that taxable year, any remaining amount is available for allocation for the four following taxable years until the entire allocation has been made. The commissioner must not award any credits for taxable years beginning after December 31, ~~2024~~ **2030**, and any unallocated amounts cancel on that date.

(d) The commissioner must allocate credits on a first-come, first-served basis.

(e) Upon completion of a project, the taxpayer shall submit to the commissioner a report prepared by an independent certified public accountant licensed in the state of Minnesota to verify the amount of eligible production costs related to the project. The report must be prepared in accordance with generally accepted accounting principles. Upon receipt and **review approval** of the cost verification report **and other documents required by the commissioner**, the commissioner shall determine the final amount of eligible production costs and issue a credit certificate to the taxpayer. The credit may not exceed the anticipated credit amount on the allocation certificate. If the credit is less than the anticipated amount on the allocation credit, the difference is returned to the amount available for allocation under paragraph (c). To claim the credit under section 290.06, subdivision 39, or 297I.20, subdivision 4, a taxpayer must include a copy of the credit certificate as part of the taxpayer's return.

EFFECTIVE DATE. This section is effective for allocation certificates issued after December 31, 2022.

Sec. 33. Minnesota Statutes 2022, section 290.06, subdivision 39, is amended to read:

Subd. 39. Film production credit. (a) A taxpayer, including a taxpayer to whom a credit has been assigned under section 116U.27, subdivision 3, may claim a credit against the tax imposed by this chapter equal to the amount certified on a credit certificate under section 116U.27, subject to the limitations in this subdivision.

(b) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a film production credit carryover to each of the five succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to

the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit that may be added under this paragraph must not exceed the taxpayer's liability for tax, less any film production credit for the taxable year.

(c) Credits allowed to a partnership, a limited liability company taxed as a partnership, or an S corporation are passed through to the partners, members, shareholders, or owners, respectively, pro rata to each based on the partner's, member's, shareholder's, or owner's share of the entity's assets, or as specially allocated in the organizational documents or any other executed agreement, as of the last day of the taxable year.

(d) Notwithstanding the approval and certification by the commissioner of employment and economic development under section 116U.27, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess the amount of any improperly claimed credit. The commissioner may only assess the original recipient of the credit certificate for the amount of improperly claimed credits. The commissioner may not assess a credit certificate assignee for any amount of improperly claimed credits, and an assignee's claim for credit is not affected by the commissioner's assessment of improperly claimed credits against the assignor.

(e) This subdivision expires January 1, ~~2025~~ **2031**, for taxable years beginning after December 31, ~~2024~~ **2030**, except that the expiration of this section does not affect the commissioner of revenue's authority to audit or power of examination and assessment for credits claimed under this subdivision.

EFFECTIVE DATE. This section is effective the day following final enactment.
